In this proceeding, the term “Registrant” means a “member” as set out in the *Regulated Health Professions Act, 1991*, the *Health Professions Procedural Code* (Code), the applicable health profession Act, and the regulations thereto.

The allegation(s) are that the Registrant:

 - a. Clause 51(1)(b.1) of the *Health Professions Procedural Code*, Schedule 2 of the *Regulated Health Professions Act, 1991*, by sexually abusing a patient; and/or

- b. Clause 51(1)(c) of the *Health Professions Procedural Code*, which is Schedule 2 of the *Regulated Health Professions Act, 1991*, and as defined in one or more of the following paragraphs of section 1 of the *Professional Misconduct Regulation (O. Reg. 750/93)* under the *Chiroprody Act, 1991*:

 - (vi) paragraph 33 – engaging in conduct or performing an act, in the course of practising the profession that, having regard to all the circumstances, would reasonably be regarded by members as disgraceful, dishonourable, or unprofessional.

Further information about these allegations is set out below:

1. The Registrant was first registered with the College on October 5, 2011. At all times material to the allegations, the Registrant was registered with the College in the chiropodist classification to practise chiropody in Ontario.
2. During the period from 2021 to 2023 (the “**Relevant Period**”), the Registrant practised at the Toronto Foot Clinic (the “**Clinic**”), which operated more than one location in Toronto, including at 483 Bay Street, 5140 Yonge Street, and/or 55 University Avenue.
3. During the Relevant Period, D.O. was the Registrant’s patient.
4. On or about March 5, 2025, the College received a complaint from the Patient alleging that the Registrant had engaged in inappropriate behaviour and/or made comments to her during an appointment at the Clinic on or about January 31, 2023, that were unprofessional, harassing, and/or sexual in nature.
5. In particular, the Registrant made comments to the Patient to the effect that a male colleague had “hooked up” and/or had an affair with a patient.
6. In addition, during the appointment on January 31, 2023, the Registrant kissed the Patient and/or touched the Patient’s body in a sexual manner and/or in a manner that was not of a clinical nature appropriate to the service provided.
7. Subsequent to the appointment at the Clinic on or about January 31, 2023, the Registrant contacted the Patient by accessing her cellphone number from the

Patient's records. During the telephone call, the Registrant thanked the Patient for being "cool" about the incident at the Clinic and/or using words to that effect, and also offered to bring her a bottle of wine.

8. Further information and disclosure about the allegations against the Registrant will be provided in advance of the hearing.

The Tribunal will hold a hearing under sections 38 to 56 of the Code, the *Statutory Powers Procedure Act*, and the *Hearings in Tribunal Proceedings (Temporary Measures) Act, 2020*, on a date or dates to be set at a case management conference, to decide whether the Registrant has committed an act or acts of professional misconduct and/or is incompetent.

The College will file this Notice with the Tribunal. The Tribunal will then set a date for the first case management conference and send it to the parties with more information about the Tribunal's process.

If the Registrant or their representative does not attend the case management conference or the hearing, the Tribunal may proceed in the Registrant's absence and the Registrant is not entitled to any further notice in the proceeding.

If the Tribunal finds the Registrant committed an act or acts of professional misconduct, it may make one or more of the following orders under subsections 51(2) of the Code:

- direct the Registrar to revoke the Registrant's certificate of registration;
- direct the Registrar to suspend the Registrant's certificate of registration for a specified period of time;

- direct the Registrar to impose specified terms, conditions and limitations on the Registrant's certificate of registration for a specified or indefinite period of time;
- require the Registrant to appear before the Tribunal to be reprimanded;
- require the Registrant to pay a fine of not more than \$35,000 to the Minister of Finance; and/or
- if the act of professional misconduct was the sexual abuse of a patient, require the Registrant to reimburse the College for funding provided for that patient under the program and/or require the Registrant to post security acceptable to the College to guarantee this payment.

The Tribunal may, under subsection 53.1 of the Code, require the Registrant to pay all or part of the College's costs and expenses. The Tribunal's website includes the Tribunal's Rules of Procedure, Practice Directions and guides to the process.
