

**College of  
Chiropodists  
of Ontario**

On April 27, 2022, the Ontario Ministry of Health announced that mask mandates for certain settings which include health care settings, have been extended. A detailed list of where masking must continue and additional information can be found [here](#).

Members are advised that they must continue to enforce masking in their practices for the time being. **The province has indicated that this requirement will remain until June 11, 2022**, unless otherwise extended or revoked.

In addition to masking, **Members must continue to follow all other COVID-19 protocols** in place including screening and infection control procedures. For more information on this, please visit other College's COVID-19 webpage.

Should you have any questions, please feel free to contact the Practice Advisor at [practice@cocoo.on.ca](mailto:practice@cocoo.on.ca)
